4:30 – 5:00 p.m.	Course Closing	

# **REQUIREMENTS**

## **INLAND OIL SPILLS (IOS)**

### **(165.18)**

#### **FACILITY REQUIREMENTS**

The standard Inland Oil Spills (165.18) course is conducted at U.S. Coast Guard Strike Team facilities in one of the following cities: Novato, California; Mobile, Alabama; Fort Dix, New Jersey; and Salt Lake City, Utah. The fast water course is taught in Boise, Idaho and the backwater course is presented outside of Vicksburg, Mississippi.

#### **PARTICIPANT INFORMATION**

This course is designed for on-scene coordinators from the U.S. Environmental Protection Agency, the U.S. Coast Guard, and state agencies who are involved in inland oil spill prevention and cleanup.

- The course includes numerous exercises. Participants should dress for field work.
- The course lasts 5 days.
- Class begins at 8:00 a.m. on Monday and ends at approximately 12:00 p.m. on Friday (for the Boise and Vicksburg courses, participants will be sent those specific starting and ending times).
- To receive an EPA course certificate, 100-percent attendance is mandatory.
